## *Worshipping in church after July 19th:*

After talking through the different options with me and the Church Wardens, and in response to the lifting of government covid restrictions on 19th July, Rachel shared the following update with the congregation on 18th July:

### ***We will be taking a 'gentle steps' approach as follows:***

- We no longer need to sit socially distanced from one another. If you would, however, like to have space around you, there will be cards available to put on the seats next to you to keep those spaces free.
- We ask you to continue wearing face masks inside the church until these changes are reviewed after Rachel's return from holiday.
- We will keep sharing the peace from a distance, for the time being.
- Communion will continue to be served in one kind for now (no common cup).
- We can sing! Please do keep your face masks on though while singing.
- We can start having refreshments again! Initially we will be serving these outside the building.

And above all - do keep being gentle and considerate with each other. You never know who is more at risk or a little more worried about risks of covid. Many thanks for your patience and the many ways you have served faithfully and shown so much flexibility over the last 15+ months! **Kate**

**Mosaic Project** – Saturday 24th July 11am to 4pm we will be gathering to work on the Rainbow Mosaic. Do invite any people along to join in and please let Jacqui know in the office to ensure there is a space for you. For more dates see the church website [www.hoddesdonparishchurch.com](http://www.hoddesdonparishchurch.com). Thank you, **Julian**

**The Foodbank** are in particular need of; rice pudding, rice, tinned fruit, tinned vegetables and crisps. Donations of food for the foodbank can be left at the church office between 9am and 1.30pm Monday to Friday and Sunday Mornings. Please contact Jacqui Gifford in the Church.

**Dial-a-sermon** You can now hear this week's Bible reading and sermon by dialing this local number: **01992 940406**. It lasts about 15 minutes. As you are in touch with people this week, please think about sharing the number with anyone who might find this helpful, particularly those who are not online.

## ***This week you might like to pray for***

- Pray for our Sunday services as covid measures are lifted, that there would be a real sense of joy and also a care and sensitivity towards each other.
- Pray for those whose work has been particularly busy and stressful over the last year, that they may get the time to rest and be refreshed.
- Pray for our national leaders - those in government and opposition - that there would be grace, integrity and wisdom in the way they work and lead.
- Pray for families who face hunger through the summer holidays and for the work of Food-bank.
